THE "9" ACCEPT M'ADOO POLICE REFORM PLANS

The Citizens' Committee Express Approval at Long Hearing.

TO ACT IN HARMONY.

First Session Shows that the Committee and City Administration Work Together.

FOX CALLED ON MAYOR.

There Will Be Another Conference on Tuesday, When Matter Will Be Further Discussed

The plans of Commissioner McAdoo, looking to the reorganization and reform of the Police Department were endorsed in the main this afternoon by the Committee of Nine. Further conferences between the Commissioner and the Committee will be held next Tuesday afternoon at the City Club, when an extension of the work and a tentative scheme for carrying it out will be agreed upon.

It is apparent from to-day's meeting that the Mayor and Commissioner of Police have the full confidence of the Committee of Nine and that the committee is working in co-operation with the administration. Politicians are more than interested in the situation. Whatever the result of the work of the Committee of Nine may be Tammany Hall, under existing circumstances, stands committed to it.

Mayor McAdoo and Commissioner McAdoo dominated to-day's Committee of Nine proceedings. Austin G. Fox, chairman of the committee called upon the Mayor at the City Hall in the forenoon and called for fifteen minutes about the so-called "McAdoo" department. The Mayor called the Police Department a body governed by its head and not by its members. After Mr. Fox had departed, Commissioner McAdoo reached the City Hall, and he, too, was granted an audience by the Mayor. From the City Hall the Commissioner went to the office of Isaac N. Seligman, the banker, at No. 21 Broad street, where the committee had assembled.

Seven Members Present.

The members of the committee present were Austin G. Fox, chairman; John G. Milburn, William Church Osborn, H. De Forest Baldwin, Isaac N. Seligman, Jacob H. Schiff and George McAneny. Elmer Root and James McKen were missing.

Although Austin G. Fox is Chairman of the Committee of Nine, Isaac Seligman does all the talking for that body. Previous to the assembling of the meeting to-day he told the reporters that the public should understand that the Committee of Nine is strictly a non-partisan body of patriotic citizens, brought together by conditions of the Police Department that must be remedied.

"There is no disposition on the part of the committee to antagonize the administration," declared Mr. Seligman. "We want to co-operate with the administration, and have its co-operation. With that object in view, we have asked Commissioner McAdoo to get through here to-day and explain to us what his experience as Police Commissioner has taught him about the department."

McAdoo Explains Plans.

The conference lasted for an hour and a half. Commissioner McAdoo took up all the time in explaining his plans for a better police force. He went over the scheme which he outlined to the Mayor yesterday, pointing out the additional power to the Commissioner in the case of removals, the repeal of the law which allows officers of the Civil War to remain on the force as long as they please, and the abolition of the Detective Bureau, as it is at present constituted, and its organization along new lines.

At the conclusion of the meeting Mr. Seligman presented a short statement which had been prepared by the committee. He said:

"I talked to the committee more freely and frankly than I have ever talked before, both about the operation of the Department and about the standpoint and from the standpoint of theory. I told the gentlemen what I had learned of the New York police force in a year and a half, but I did not get more than half through. I shall meet the committee again next Tuesday afternoon in the city hall, with my part of what has been asked of me."

The committee will meet to-morrow afternoon at the City Club and every afternoon thereafter if the members have time to attend the meetings. After Commissioner McAdoo gets through with his exposition of ideas on Tuesday the committee will be ready to act on the proposals. It is probable that the proceedings will be of a star chamber nature, for some policemen may be called who will suffer in the ordinary way of their fellows if their connection with the investigation should become known at this time.

SHOT DEAD BY ROBBER DRIVER IN A SLEIGH

Jerseyman the Victim of a Stranger He Had Hired.

A SUDDEN ATTACK.

Slain as Lonely Spot Was Reached and His Pockets Rifled.

THE MURDERER ESCAPED

Farmer Going Along the Road Found George Williams, of Watchung, Lying Lifeless.

PLAINFIELD, N. J., Feb. 2.—George Williams, a grocer, who lived at Watchung, in Somerset County, was shot and killed to-day by a stranger while being driven from Watchung to Mount Hope. Mr. Williams had engaged the man to drive him to Mount Hope. When they reached a lonely spot in the road the stranger drew a revolver and shot Mr. Williams dead. The man then searched the dead man's pockets and took everything he had. He then fled, leaving the man dead in the sleigh. The body was discovered by a farmer passing along the road. A search is being made for the murderer.

NO RACES TO-DAY AT HOT SPRINGS

Track Frozen Over During Night and in Dangerous Condition, So Programme Goes Over Until To-Morrow.

(Special to The Evening World.)

HOT SPRINGS, Ark., Feb. 2.—Races were declared off here this afternoon. The track was frozen over with hard rinds and was in absolutely dangerous condition. This is not the first time that the track has frozen over night, but rising temperature usually thawed out the hard rinds before noon and made racing possible.

FAST MILE TRIAL BY MOTOR BOAT

(Special to The Evening World.)

PALM BEACH, Fla., Feb. 2.—A. D. Proctor Smith, driving the challenger 150 horse-power motor boat of W. Gould Brokaw, covered a kilometre over the Lake Worth measured course to-day with official timing in 1.21 and a mile in 2.11 2/5. Both trials are new records.

MAN AND CHILD KILLED BY TRAIN

Two Fatal Accidents on Track at Woodbury, N. J., Within a Few Hours of Each Other.

WOODBURY, N. J., Feb. 2.—Two persons were killed by trains within a few hours of each other here to-day.

Elsie Bailey, nine years old, was struck and instantly killed by the Maurice River express. She was crossing the track and did not notice the approach of the train.

Previous to the death of the child the body of a man had been found along side the track. He had evidently been killed by a train early in the morning. The body has not been identified.

97,406 Answers!

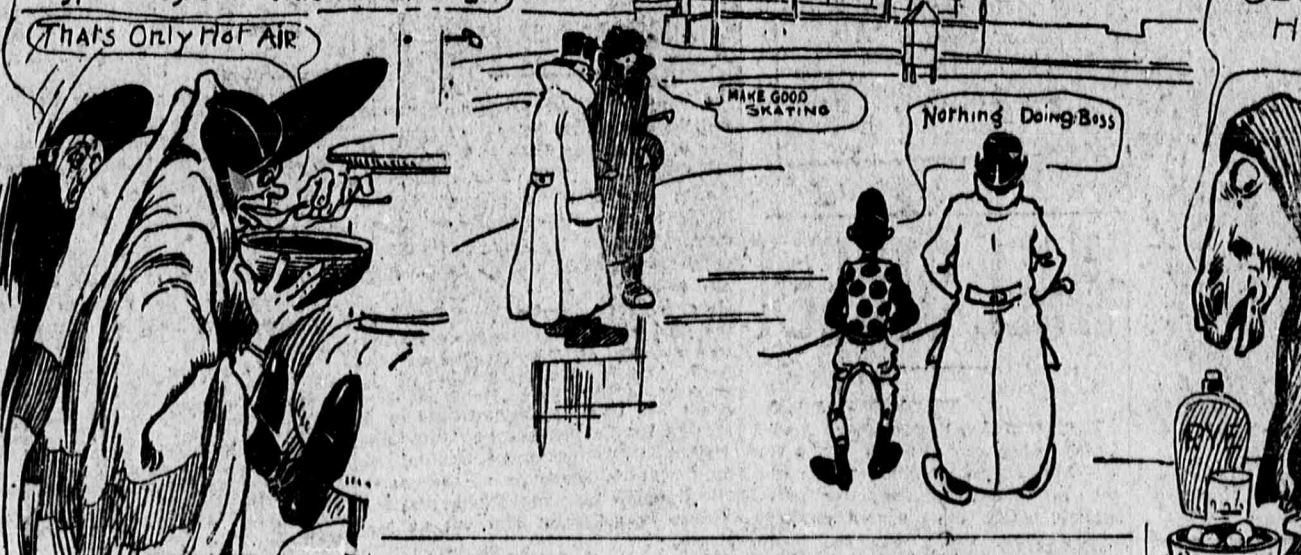

LESS than one-tenth of the 75,036 wants published in the Morning and Sunday World last month called for answers to be sent care "The World office."

Yet the few thousand want advertisers who did use "The World office letter boxes" got 97,406 Answers.

This record has never been approached in any previous January in The World's history. It is an increase of 37,888 Answers over the same month last year.

TRACK FROZEN OVER IN SUNNY SOUTH.

It Was So Cold that the Races Were Called Off this Afternoon at Hot Springs.

MONTE ATTELL MATCHED TO FIGHT BANTAM WALSH

Former Will Make His First Appearance in the East in Bout with New England Title Holder on Feb. 14.

Monte Attell, the California bantamweight fighter who is said to be as great a fighter as his brother Abe, will make his first appearance in the east in a boxing contest on Tuesday, Feb. 14, at the Douglas A. C. of Chelsea, Mass. His opponent in this bout will be the acknowledged bantamweight champion of New England, Jimmy Walsh, of Boston. Arrangements for the fight were completed to-day.

The boys will clash for fifteen rounds at 116 pounds weight in at 8 P. M. on the night of the contest. This bout promises to be one of the greatest battles between little fellows that has ever been witnessed in New England. Walsh is a remarkably clever youngster while Attell, on the other hand, is a rugged slum house fighter who tears right in at the sound of the bell to finish his opponent as quickly as possible.

Another important contest which is slated to be fought before the Douglas A. C. will be a fifteen round bout between Kid Goodman, the great fighter of New England, and Eddie Hanlon, the bantam California fighter. They are to battle at 125 pounds, weighing in at 130 and 135 on the day of the fight.

NILSSON WINS SKATING RACES

(Special to The Evening World.)

SARASOTA, Fla., Feb. 2.—The opening day of the skating carnival here was fair but cold, and a fierce wind from the north swept the rink and rendered fast time impossible. A crowd which taxed the capacity of the grandstands watched the hockey game and the professional races.

The first race, a half mile for professionals, had as entries John Nilsson, Peter Slinn, Norman Baples, Harley Davidson. It was won by Nilsson, with Baples second and Slinn third.

The one mile professional with same entries was won by Baples, with Nilsson and Davidson third. Time—5:11.

The three-mile professional was won by Nilsson, Davidson second and Slinn third. Time—24:30.

The novice race, two miles, was won by George Ashley, Lloyd Clark second and E. Vaburn third. Time—7:25.

EVENING WORLD RACE CHART AT NEW ORLEANS.

FEB. 2—61ST DAY.

TRACK SLOW.

(Special to The Evening World.)
NEW ORLEANS, Feb. 2.—The seat of war on the Western turf has been transferred from Hot Springs to New Orleans. The meeting of the American Jockey Club, which was scheduled to be held at Hot Springs, has been transferred to the Crescent City. Already Ed Corrigan, J. L. Rhinok and George Fox are here while the other delegates are due here in the next few days.

Preparation for the opening of the Panama Park meeting are going on and the outfit horses are continuing to arrive every day. Fifteen of Corrigan's spring got in from Chicago last night.

The contract held by Sidney Bender on Jockey Club has been declared void by the Western Jockey Club and that rider will ride free lance here for the remainder of the meeting.

Run Up to Fast Trial.

Triumph, which was making his first appearance at the meeting in this race, was made the choice and heavily favored by the crowd at the fast trial.

Baird waited with him in the early starts, tailing in behind Lida and Calhoun. The crowd of good fast trippers flocked in the run home and Triumph taking command in the run home, he was away without an effort and won easily.

Redman Beats Baywood.

Baywood was always the choice in the second race. He was ridden by Nicol, but failed to display the early speed of some of his previous races. In the early running Calhoun and Ed Silver showed the way, but Redman and Baywood moved up and taking command entering the homestretch drew away at the end and won closely.

Matadone Never Caught.

Matadone was the field in the third race but his backers accepted 3 to 5 about his chance. At no time in doubt, Matadone rushed to the front and Calhoun and Ed Silver were winning under restraint at the end from Astoria.

SKATING IN PARK SUNDAY EVENINGS.

Commissioner Pallas Orders the Lakes Kept Open to Skaters After Sunset.

Park Commissioner Pallas today issued an order permitting skating on the Central Park lakes on Sunday evenings beginning next Sunday. Heretofore the lakes have been closed to skaters at sunset on Sundays and the new order is in the nature of an experiment, but will be continued unless there is serious objection raised.

Commissioner Pallas says that on account of the shortness of the skating season he believes that skaters should have the privilege of using the park lakes Sunday evenings.

493 FIRST RACE—For four-year-olds and up; selling; purse \$500; one mile. Time—1:25.00. 1.17. 1.45. Start good. Winner, b. s., by Prime Minister—L. S. Baker. Owner—J. S. Baker. Trainer—L. S. Baker.
